Docket No. STINN-0001-US

**Amendments to the Abstract:**

Please delete the Abstract and substitute the below abstract:

A disposable container cover is disclosed. The disposable container cover may be formed in a variety of dimensions and may have an elastic band housed in the bottom of the cover so as to form a seal between the disposable cover and a container. Additionally, portions of the cover may be bound together to form a handle which can allow a user to easily remove the cover from a container. Additionally, the cover may be used to seal any of a variety of container or protect any of a variety of household objects from undesired elements.
